**Holiday
Gift Guide
2024**

Greetings and Happy Holidays. I hope this season finds you and your loved ones well. Life is so full of events and activities these days, that I know I sometimes forget to take time to just slow down and enjoy the moment. Making music with others is one way for each of us to live in the moment. That is what Ted Brown Music is here to do; help you make music. Whether you play alone or with others, we want to make sure you have what you need to accomplish your musical goals.

Take a look through the following pages. You may find just what you need or find something to inspire you to try something new. If you're shopping for a musician in your life, I expect we have just the right gift for them. In fact, I bet we have more than one perfect gift for the music lover in your life. Buying early ensures the best availability and a timely delivery.

Our communities are full of music, especially this time of year. Please take the time to enjoy some live music this season. I guarantee it will bring a smile to your heart and to the musicians who are performing. As always, from our family to yours, we wish you the happiest of seasons, time with your loved ones and most of all, music!

With Sincere Thanks,

Whitney Brown Grisaffi
